

Hortkindergruppe "Goldrichtig"

What is "Goldrichtig"?

We are a children's group for up to 14 children between the age of 6 to 10 years. We provide afternoon childcare, which means that children come to the Hortkindergruppe "Goldrichtig" from around midday to 17:00.

The children's group is located in the 15th district of Vienna, in the Goldschlagstrasse 26/5. We are organized in the form of an association called "Verein Kinderinitiative", which is independent from city-government organized places. Our aim is to combine outside-activities and healthy food for the children. Most of our activities and interventions are oriented on the situation and state of development of the children. School and parents are seen as important communication partners for doing a professional job.

Recruitment Process and volunteering period

We will host one volunteer at a time, preferably between February and June.

The international volunteering in Vienna is coordinated by Grenzenlos within the MELANGE program. If you are interested, you just send a CV (curriculum vitae), a motivation letter and the full details of the responsible sending organisation to Grenzenlos. They will forward your papers to the hosting project (Hortkindergruppe "Goldrichtig") where the selection will be made.

All available placements are open to everyone (fulfilling the general EVS criteria). However, in the selection procedure a preference is shown for candidates with fewer opportunities. You will be informed about the outcome of recruitment process conforming to the set out applying deadlines (more: [Melange Website](#)).
