

Kindergruppe Amerlinghaus

What is the Kindergruppe Amerlinghaus?

It is a kindergarten located in the 7th district of Vienna (Kindergruppe means children's group in German). The Amerlinghaus is a cultural center, built in the early 19th century and named after the painter Friedrich Amerling. Since the 1970s the Amerlinghaus hosts a number of NGOs in the cultural and social field.

The Kindergruppe is organized and run by parents. It hosts up to 13 children between the age of three to six years. Pedagogical work follows the principles of Maria Montessori and Rebecca Wild. Through our activities, children shall be supported in their social, motoric, cognitive, creative and emotional intelligence and find the space to grow themselves.

Proposed activities

As an EVS volunteer, you are expected to spend around 30 hours per week in the kindergarten and support the staff with daily activities. You are granted the opportunity to improve your language skills and to get important insights into the work with children. All our kindergarten teachers are well trained and support the group with their various backgrounds.

You will support our kindergarten teachers with their work, especially when the group is having lunch or they go out on playgrounds, museums and so on. And we want to encourage you to share your cultural backgrounds with us. What can be done, depends on the knowledge of the volunteers. For example, one of our last volunteers had good practice in working with children and was a good musician. So she could offer Polish songs to the group, which was pretty much welcomed by the children.

A day in our Kindergarten can look like the following:

8.30 h – 10.00 h

Arrival of the children, they decide themselves what they want to play; breakfast will be prepared

10.00 h – 12.30

Circle session or any other prepared session guided by one of the teachers with different content (e.g. music, fairy tales, creative painting or little hand crafts, working with Montessori material, excursions, gymnastics or different games which play with all senses).

Lunch (12.30 h)

The lunch is one of the main fixed rituals, after lunchtime there is a space for relaxing and digesting. As a volunteer, you are expected to take your lunch together with the kids.

Afternoon

Usually in the afternoon the main focus is on playing especially outside or „doing nothing“; children get picked up by their parents

14.30 h

The group is getting smaller, after noon break with, individual activities can be done.

Fixed weekly activities are: toy day (Monday), gymnastics (Tuesday), excursion (Thursday) and rhythmic (Friday). The Kindergruppe is closed during Austrian public holidays as well as during summer holidays. We are hosting EVS volunteers between September and July.

Recruitment process and profile of the volunteer

As a volunteer, you should be interested in and willing to work with children. No further skills or experiences are required.

The international volunteering in Vienna is coordinated by Grenzenlos within the MELANGE program. If you are interested, you just send a CV (curriculum vitae), a motivation letter and the full details of the responsible sending organisation to Grenzenlos. All available placements of Grenzenlos EVS projects are open to everyone (fulfilling the general EVS criteria). However, in the selection procedure a preference is shown for candidates with fewer opportunities (gender, background etc.).
