

Kindergruppe Simalabim Zwerge

What is Kindergruppe Simalabim Zwerge?

The Kindergruppe Simalabim Zwerge is a small kindergarten in the 3rd district of Vienna. It's based in an apartment with a small courtyard with a sandpit and the possibility to plant some vegetables and flowers. The Kindergruppe has a kitchen, a crafting room, a gym with a slide and a room where the kids can do more quiet activities like reading books or doing role plays. Our Kindergarten is a non-profit organisation run by the parents. We have a team of 3 teachers. There are maximum 14 kids between 2,5 and 6 years with 2 teachers taking care of them Monday to Friday from 8 am till 4pm.

The idea of the organisation is based on a humanistic philosophy. We live diversity, are open minded to different cultures, religions and rainbow families. The main target of the teachers are to build up individual relationships with the kids and to respect and take their individual needs serious. Our meaning of education is to accompany the children and help if they need it, but not lecture them. Each child is accepted as an individual, encouraged to develop self-consciousness and self-confidence.
