

Kindergruppe Hockegasse (children group)

Proposed activities:

Our children group is similar to a nursery school. We are a non-profit association, led by the parents. The children group consists of 14 children, between 3 – 6 years old and 3 trained kindergarten teachers. There are always 2 teachers present in children group. Our kindergarten teachers are following an democratic education style of upbringing that appreciates and recognizes the child from small on as equal partners.

Daily routines are romping, playing, singing, discovery, craft activities, preschool education, music and rhythmical education. Every day the group is spending time outside in parks at any weather condition. We are offering a protected environment to the highest standard, where children can learn, grow and enjoy their time together. On Fridays they spend the whole day in the forest exploring nature and built-up self-awareness. All meals are cooked with fresh organic ingredients by the parents on a daily basis except on Fridays. We are not only cooking for the children, but for everyone who is present in the children group. Parents are also responsible for cleaning the premises of the children group.

Daily activities are:

Free-play, romping, playing, singing, discovery, craft activities, preschool education, music and rhythmical education.
